How can we help you?

Crusader Vehicles Limited is a broker, not a lender. We can introduce you to a limited number of finance providers who may be able to finance your vehicle, who may then pay us a commission for the introduction. We can only introduce you to these lenders but where we work with other credit brokers, they may be able to introduce you to other lenders and finance companies.

By signing this document, you confirm you have authorised us or our credit broker to pass on your details to one or more lenders who may conduct a search of your record held with one or more credit reference agencies. Credit checks may appear on your credit file lodged by organisations with whom you may have not dealt with directly.

Are we able to help with your finance requirements?

Yes, we are a licensed credit broker but not a lender. We are authorised and regulated by the Financial Conduct Authority and our license number is 631262. If you wish to check this, you can do so using the Consumer Credit Register, located on the Financial Conduct Authority website at:

<https://register.fca.org.uk/>

What fees do I have to pay?

You do not have to make any payments (fees) to us for arranging your finance although finance companies we work with may charge fees for arranging your finance. These fees come in the form of document fees charged at the beginning of your agreement and in the case of Hire Purchase, an option to purchase fee at the end of your agreement. Any fees due, will be shown on your quotation and order forms.

Can we give independent financial advice?

No, we cannot give independent financial advice as we are not independent financial advisors. If you are unsure of the type of finance right for your business, please speak with your own financial advisor or accountant.
